

## I have a little dreidel ([singalong here](#))

I have a little dreidel  
I made it out of clay  
And when it's dry and ready  
Oh dreidel, I shall play.

Oh, dreidel, dreidel, dreidel  
I made it out of clay  
And when it's dry and ready  
Oh Dreidel, we shall play.

I have a little dreidel  
I made it out of wood  
And when it is all ready  
we'll play it if we could.

Oh, dreidel, dreidel, dreidel  
I made you out of wood  
And when it is all ready  
we'll play it if we could.

I have a little dreidel  
I made it out of glass  
And when it is all ready  
we'll play it in the grass.

Oh, dreidel, dreidel, dreidel  
I made it out of glass  
And when it is all ready  
we'll play it in the grass.

I have a little dreidel  
I made it out of gold  
And when it is all ready  
we'll play it in the cold.

Oh, dreidel, dreidel, dreidel  
I made it out of gold  
And when it is all ready  
we'll play it in the cold.

*\*\*To add some more fun to this song, think about what other materials you could make a dreidel out of. Then, make a rhyme to sing your own version of this song!*
